

# SITE DE RENCONTRE POUR FEMMES DE 50 ANS

*Site de rencontres s'adresse aux femmes de plus de 50 ans et les seniors. Trouvez l'homme idéal ou rencontrez de nouveaux amis: inscrivez-vous vite! Merci de m'avoir permis de rencontrer une femme honnête et sérieuse avec laquelle je partage.*

Due to the nature and complexity of the internet network, its technical performance and response times for consultation, viewing or data transfer in particular, the companies 2L Multimedia and Stt make the best effort, according to the rulebook, to enable the access and use of the services. The member authorizes Stt and v to modify elements to comply with the graphic chart or to make them compatible with its technical performance or any format supplied in the context of the services. The member is not authorized to remove or modify data on the Website, to fraudulently enter data or carry out an alteration on the operation of the Website. It is the same for rules of content and form, notwithstanding the locations of execution of substantial or secondary obligations. Applicable law The present terms and conditions are ruled by French law. Subscription and Financial terms 7. Stt reserves the right to propose temporary promotional subscriptions to new members or existing subscribed members for a certain time. Confidentiality The information transmitted or received by Stt during the use of the platform is considered confidential by nature and is subject to professional secrecy and shall not be communicated externally, apart from exceptions linked to the provision of the 'data-processing and liberties' law. If you don't desire to receive any more emails from us, please send your request at customer stdt. In general, the renewal cancellations of the Subscriptions can be carried out under the conditions of the article "termination" of these GCUS. Proof convention The acceptance of the terms and conditions by email has the same probative value between parties as the agreement in paper format. The member shall respect the integral rights of third parties whose content is present on the platform and shall not create any analogies in the mind of the public for any purpose. The member agrees to notify any manifest of illicit content, in accordance with the procedure under article 'notification of illicit content' of the present contract. This without any compensation or refund. At the end of the three 3 trial days, the Subscription will be automatically charged, unless prior notice by the Subscriber, which procedures are provided in Article 17 of these GCUS. The photographs placed online by the member must particularly: Represent the member exclusively Not only represent unrelated elements landscape, animals, etc. The member guarantees and releases Stt and 2L Multimedia from any claim and condemnation originating from default of the obligations the member is subject to by law or the present terms and conditions of the service. In addition, the Member has the possibility to lodge a complaint with a data protection authority. Unless it is proven otherwise, this data constitutes proof of all transactions between Stt and the Member via the Website. Conform to the valid legislation, 2L Multimedia cannot accept civil liability for activities or information stored at the request of members, unless if 2L Multimedia was duly notified of illicit content under the conditions of article 'notification of illicit content' and did not react promptly to remove it. The member is sole responsible for possible prejudice caused by the divulgation of that information. Therefore, the member shall take all necessary measures for the protection of said rights for all third parties and, in particular, maintain all the property mentions on all the data, information and more generally the consultable elements on the Website or made accessible by third parties. Stt makes the best efforts to provide a service accessible to all the members and in the best conditions. Step 3: once his profile is correctly informed, the internet user validates the subscription form and receives a confirmation email at the supplied email address. Also, this request does not entail any refund of the period of the subscriptions remaining. Opposability The present terms and conditions are opposable to the member as soon as they are accepted by the latter prior to the Account creation and to subscription. Technical support 2L Multimedia and Stt Companies provide a customer service to its members which can supply all necessary information on the use and services of the Website. The Member abstains from expressing any remarks that contravenes the rights of others or that are defamatory, abusive or, in general, any remarks or content that is contrary to the purpose of the Services, the laws and regulations in force. Definitions The terms below will have the following meaning among the parties: "Subscription": a paid package giving access to the Services offered in the Subscription, for a limited period specified in the Subscription concerned subscribed by a Member. It shall use appropriate means to maintain the service in optimal operational
